Type of business: Fast Food
Job location: Hardees Ogden
City: Wilmington
State: NC
Zip: 28405

Why choose us?

Boddie-Noell has been an integral part of the Hardee's restaurant business since the chain began. We opened one of the very first Hardee's in 1962, and today are the largest of the restaurant's franchisees with just under 350 restaurants in four states.

There are many different restaurants/businesses, so you will be working in one of the Hardee's locations. Hardee's is considered fast food; however, Boddie Noell is known for taking it a step above.

Some stores are open 24-hours and other stores require first shift employees to come in between 4am and 5am each morning. There is a possibility that you may be assigned to a overnight shift or the early morning shift there is no guarantee of what shift you will work. It may be possible that you are required to come in during the afternoon and work until 10pm or 11pm at night as well. The shift will be based solely on the needs of the restaurant and is subject to change.

This job is hard work; you may learn and be required to perform any combination of duties in the restaurant. If you have back problems this is not a good job for you.

Boddie Noell has started providing housing for all of their students. The types of housing will vary from apartment, condo, townhouse, or house; on a rare occasion you may have a hotel or mobile home. All housing is mandatory (excluding hotel) and goes hand and hand with the job, no exceptions! Everyone must pay a \$100.00 security deposit of which \$25.00 is non-refundable. The deposit is due in full at time of arrival - no excuses!

Most of the managers and/or district managers try to plan at least one type of fun event for the students each season. They do care about their students and love the Work and Travel Program.
